About the school

ENSAD Nancy is one of the 11 national art schools of the French Ministry of Culture. It is located in a new building on a recent campus, close to the city center. The school offers a wide range of facilities and services while conserving a family-like atmosphere with only 220 students. A strong peculiarity of the school is its partnership with an engineering school and a business school within the Artem Alliance. The school also hosts the ANRT (Atelier national de recherche typographique), a post-master's research center dedicated to typographic design that attracts young researchers from all over the world.

Artem Alliance

Artem stands for Art, Technology, Management and is a partnership between Mines Nancy engineering school, ICN Business school and ENSAD Nancy. All year round, various workshops and projects bring together the students of all 3 schools for a unique interdisciplinary learning experience.

School facilities

- 16 workshops are available for our students' projects: drawing, painting, sculpture, ceramic, printing, 3D designing and printing, photography, cinema and video, gaming, etc.
- A 260 m² art gallery presents several exhibitions each year
- A cafeteria and a computer room are available for the students

SOCIAL SECURITY

Membership in the French social security system is free and compulsory. It entitles you to coverage of your healthcare expenses for the duration of your studies. Your enrollment is different whether you are a European citizen or not.

If you belong to a member country of the European Union

Before coming to France, you need to ask for your European Health Insurance Card (if you do not have one already). You will receive it after 10 or 15 days. If you already have this card, you must make sure that it is valid until the end of the academic year.

Thanks to this card, your medical expenses will be refunded following the same conditions as in your home country.

If you are not a European Union citizen

Once in France and after completing your registration at ENSAD Nancy, you must enroll to the Social Security on this website available in different languages: <https://etudiant-etranger.ameli.fr/#/>

You will need to provide the following documents:

- A certificate of school enrollment (it will be given to you by ENSAD Nancy upon arrival)
- A passport or ID card
- A vital record

Please be aware that Social Security does not cover 100% of your healthcare expenses. To increase the amount of your healthcare expenses that is reimbursed, you may take out a complementary health insurance ("Mutuelle").

liability insurance

Liability insurance is compulsory and covers damages caused by yourself to a third party.

Liability insurance is most of the time included in the housing insurance. If this is not the case, you can easily subscribe it online with various insurance companies such as Heyme Care:

Good to know:

TRANSPORTATION

Nancy is a little city and most places are at walking distance. But a good local public transportation network is also available. And there are more and more bike paths!

Bus

Since Nancy tramway is currently under renovation, only buses are available until September 2024. It's free on Saturdays and Sundays. For the rest of the week, you can buy a monthly pass: 29€/month for students or a 10 ticket-pass (12€). <https://www.reseau-stan.com/titres-tarifs/tous-les-titres>

Bike

Bicycling is easy in Nancy and it is possible to rent a bike from 15€/month to 65€/year. <https://maisonduvelo.grandnancy.eu/louer-un-velo/tarifs>

Local trains

To visit neighboring cities like Metz, Epinal or even Strasbourg and Luxembourg City, the local train network (TER) is very good and rather cheap if you buy the "TER Fluo" tickets.

You can also buy "Carte Fluo Jeune" (only 1€ for under 26) and you will get a 50% discount on all your train tickets within the Grand-Est area.

<https://www.ter.sncf.com/grand-est/products/form>

Long distance trains

Nancy is connected to Paris thanks to the high-speed train (TGV). The capital city is then reachable in 1h30.

If you buy "Carte Avantage Jeune" (49€, but most of the time it is sold half price on Black Friday), you get a 30% discount on most trains.

Plane

The nearest airport is Luxembourg-Findel. From there you can fly to many European cities. <https://www.lux-airport.lu>

bank account / mobile phone

La Banque Postale

If you need to open a French bank account, this can easily be done at a Banque Postale office, very close to the school. It usually takes up to 15 days until the account is activated (the international office and the mentor students will help you with this procedure).

La Banque Postale also offers cheap mobile phone subscriptions for around 10€ /month.
